Without a detailed sketch your order will be rejected.

By submitting this Foundation/Inscription Permit Request Form I, the monument dealer submitting this form, guarantee that the above information is accurate and all signatures from the proper lot owners have been verified and guaranteed to be true. I understand that I will receive a permit through the online portal, which I am responsible to check on my own as I will not receive notification each time a permit is added. I understand that the permit (either printed or on a smartphone) must be brought to the office before performing any work. I also agree that I will only have a monument set or inscription performed during the qualifying hours of: Monday - Friday 8:00 AM - 2:00 PM. I understand that any and all sub-contractors doing work for my monument company will be licensed/insured, and will send proof of the insurance on an annual basis. I understand without liability insurance my sub-contractors cannot enter the cemetery to perform work.
